## Acrostic Paragraph Code

How are you today? Everything is well with me. Lovely weather we're having. Perhaps you would like to meet up with me? My mother is also well. Except her back of course. I am really excited to hear from you. Here is some information about my week. At least once I will admire the weather. Very hot I hear? Entirely unexpected. Because we don't usually get weather so fine. Evidently it's a sign of the times. Enormously good fun though. Not if you forget sun cream, however. Kids love the nice weather. I do too. Don't worry about me by the way. Nothing wrong at all. And I am having a wonderful time. Perhaps you could write me a letter in reply though, nothing too fancy. Paint me a picture of what you're up too. Even if you don't, I will be thinking of you. Dearest wishes. X
